SUBMISSION OF SUBSTITUTE FORMAL DRAWINGS

Commissioner for Patents
Washington, DC 20231

Dear Sir:

On February 25, 2002 Applicant submitted formal drawings to replace the originally filed informal drawings. Applicant noticed that the new formal drawing of Figure 1 contained additional text cluttering the Figure and which also prevented leads extending from reference numerals 100 and 104 from pointing to their respective elements in Figure 1. Applicant also noticed that the new formal drawing of Figure 6 contained additional text cluttering the Figure and which also prevented leads extending from reference numerals 600, 602 and 604 from pointing to their respective elements in Figure 6. Applicant also noticed that the new formal drawing of Figure 7 contained additional text cluttering the Figure and which also prevented leads extending from reference numerals 712, 714, 716, 717 and 718 from pointing to their respective elements in Figure 7.

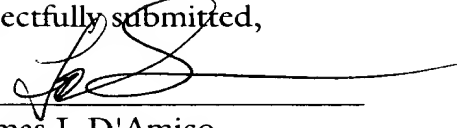

As such, Applicant is filing substitute formal drawing sheets of Figures 1, 6 and 7 to correct these inadvertent errors. No new matter is being introduced.
